Thursday 20th July 2017

Dear Parents,

In response to the queries regarding school bags for Reception, Year 1 and Year 2 children (KS1) I would like to clarify the reasoning behind our decision.

Although rucksacks and other bags may be fashionable they are too bulky to fit on the coat pegs. In addition the KS1 classrooms have been redesigned so there are outdoor, watertight coat cupboards for PE bags and coats. The bags that we will be providing will be hung in the classrooms.

Any items your child needs to bring will fit in the bag provided and anything additional they wish to bring, can be kept in their individually named school tray.

We are very excited about the learning environment we are creating for our KS1 children and hope that you will support us.

Mrs H Wood

Principal

Hambleton Primary Academy
