Nursery visit to Lytham Park

Nursery had a fantastic day on Wednesday at Lytham Park. They did lots of activities in their forest school and are hoping to replicate some of the ideas here at school. The children were so well behaved and a pleasure to take out of school. Please check Facebook to see the photographs.

Year 2 SATs

A big well done to Year 2 for working so hard over the past few weeks to complete their SATs. We are really proud of them all! We aim to make the testing of 6/7 year olds as informal as possible; so much so, some of the children have been asking Miss Allen when they are starting them!

Parking before and after school

Rev Squires has contacted us to remind everyone that they are welcome to park in the church hall car park before and after school, when dropping off and picking up, to alleviate congestion on Arthurs Lane.

Puberty Talk for Year 6

The school nurse will be coming into school to talk to the Year 6 children about puberty. Initially they will be in a class group then they will split into boys and girls in order to discuss changes in more detail. She will also include the Year 5 girls with the Year 6 girls. If you do not wish your child to be involved then please contact me in writing and they can be excused.
